

WAVELENGTH PRAYER GUIDE FROM GRNUK

“TELLING THE STORY OF JESUS IN EVERY LANGUAGE”

AUGUST 2025

Fri 1st Pray for Sanjay and Mary, that the Lord will help them prioritise their many responsibilities with GRN, Sanjay’s church, and their family.

Sat 2nd Pray for Emmanuel, the son of one of the GRN staff in Togo, who was seriously injured in a road accident. He was initially partly paralysed due to a spinal injury and also suffered a broken arm. He is currently working to regain movement.

Sun 3rd A group working with Audio Scripture Ministries, a partner of GRN Canada, took players with Scriptures and our scripts in 12 languages to a dangerous area of West Africa. Tragically, the workers were killed, but the terrorists listened to one of the players, which ‘happened’ to be in their language and were struck to the heart. They contacted Christians, who used the example of Paul to convince them that God could forgive them. They destroyed their weapons and contacted other roaming groups to tell them, “Stop killing – it is not what God wants.” God is working powerfully in response to those who follow Him sacrificially.

Mon 4th Pray for GRN Spain, who are involved in outreaches in the southern part of their country over the summer.

Tue 5th GRN Mexico is recording two new languages. Pray for the process to go smoothly and that the resulting recordings will be used to bring many to a knowledge of their Saviour.

Wed 6th Hannah in the Philippines is translating scripts into a minority language. Pray for good language helpers.

Thu 7th Pray for Fleming, GRN UK Chair, as he prepares to lead the annual meeting this weekend.

Fri 8th Yousif is editing recordings he made in a refugee camp in northern Uganda. Pray for him and that the recordings will be used powerfully for His glory.

Sat 9th The Board and staff will have their annual in-person meeting today. Please pray for vision, unity, and discernment of the Lord’s will as they discuss plans for the development of the work in the UK.

Sun 10th Let us praise the Lord and rejoice in Him for all He has done in the UK and around the world through GRN. Pray that we will always be sensitive to His leading.

Mon 11th Sam has recently taken on responsibility for GRN Switzerland following Philippe’s retirement. Pray for him as he adds this role to his existing responsibilities. Also, pray that the Lord will raise someone to take on this role in the future.

Tue 12th Pray for Alisha our new recordist and the work in India. Praise God for the successful recording in the Kumbhar language of Kerala state in India by our Australian team.

Wed 13th Pray for Surendra and the team in Nepal as they develop further materials to teach new Christians and others in minority language groups.

Thu 14th Pray for new leaders to be called to serve in the work in Canada and Germany.

Fri 15th Pray for Sanjay as he seeks to implement the plans made at the recent Board and staff meeting.

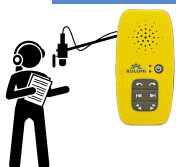

Sat 16th The internet is like a jungle with many predators. Pray that the Lord will protect the 5Fish app and the GRN websites from interference and harm.

Sun 17th Pray for Dalene and the team in South Africa, who are facing health issues and political unrest. A partner ministry has recorded a number of local languages, but they require considerable work before they can be made available on 5Fish app.

Mon 18th Pray for Gradon Coleville and the script committee as they work to produce high-quality scripts that will be effective for people from various cultures and religions.

Tue 19th Many GRN staff in West Africa are facing unrest in areas where simply being a Christian can put them at risk. Pray for the Lord to protect them from violence and danger.

Wed 20th GRN USA is using social media to evangelise by posting our recordings in the languages of hard-to-reach countries. Pray that many will listen and hear the good news.

Sat 30th Pray for Sam, Mary, and their children as the new school year begins and Sam's work increases after the summer.

Sun 31st "Unless the Lord builds the house, they labour in vain." We thank God for our faithful prayer supporters who play a vital role in this work. Pray that GRN staff and Boards will continue to discern the Lord's leading as the work continues across dozens of countries.

What Is A Heart Language?

IT IS THE LANGUAGE YOU THINK, FEEL, AND DREAM IN

A heart language is more than just a way to communicate — it's the language someone feels most deeply.

As the Jesus Film Project puts it, it's "the language they dream in."

When the Gospel is heard in that language, it resonates in a way that written words or second languages often cannot.

That's why we aim to record the story of Jesus in every language.
